**WHEREAS,** the Fiddler's Creek Community Development District #1 ("**District**") is a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes* for the purpose of providing, operating and maintaining infrastructure improvements, facilities and services to the lands within the District; and

44 Resident Zack Combs stated that he knew of two firms interested in bidding on the landscape and tree cutting contracts. He asked when the next bidding project is scheduled. 45 Mrs. Adams offered to invite the landscape contractor to the mandatory pre-bid 46 47 meeting in September, if Mr. Combs provides contact information to her. She noted the contract does not expire until January 2023. The Request for Proposals (RFP) will be published 48 in the local newspaper. She advised him to provide the tree cutting vendor contact information 49 50 to The Foundation, directly, as the CDD contracted with The Foundation to maintain this asset. Resident and Montreux President George Varianides referred to flooding due to the 51 52 main break and asked who is responsible for cleaning up debris in the driveway at Montreux, 53 on the side of Fiddler's Creek Parkway. Mr. Adams stated the CDD will have it removed once 54 the repairs are completed. 55 Quality Control Lake Report - April 2022: 56 THIRD ORDER OF BUSINESS 57 SOLitude Lake Management 58 59 Ms. Kennedy presented the Quality Control Lake Report and noted the following: 60 Lakes #16 and #17 were treated for torpedo grass last Friday.  $\geq$  $\succ$ Lake #30 was treated for algae last Friday. The landscaper will have to trim the turf grass 61 62 once the area dries, as it is not an aquatic grass. Lakes FC-4, FC-5 and 65-A are being treated continuously to address Illinois pondweed. 63  $\geq$ Resident Alfred Noto noted high grass and algae in the lake on Fiddler's Creek Parkway 64 and Championship Drive. Mr. Kennedy stated it is Lake #30 and reiterated her earlier report. 65 66 67 FOURTH ORDER OF BUSINESS Health, Safety and Environment Report 68 Irrigation and Pressure Cleaning Efforts: Jose Castillo 69 Α. 70 Mr. Castillo gave a PowerPoint presentation and noted the following: 71  $\geq$ Irrigation: He noted the criteria to run the sprinkler system, June and July rainfall and rain holds. With nearly 14" of rain in June, the system ran if were consecutive days without rain. 72 73 Mr. Parisi reported on the Irrigation Group meeting and looking into new devices. He 74 hoped to present information to the villages, neighborhoods and at the September CDD 75 meeting. Water stains at the Publix entrance are Publix's issue; he will advise them of chemicals that prevent this. The Publix gate is operational and staff met on-site to review protocols. 76

DRAFT

77 Mr. Christensen asked Mr. Castillo to include month-by-month statistical data for Fiscal

78 Year 2021 versus Fiscal Year 2022 in his Report.

79 Pressure washing: Delivery of the new machine is expected next week.

#### 80 B. Security and Safety Update: Ed Jasiecki

81 Mr. Jasiecki gave the monthly PowerPoint presentation and discussed the following:

In an emergency, 911 should be called first, followed by calling Community Patrol to
 report the incident; as they are not emergency first responders. An e-blast reminding residents
 of this information will be resent.

85 Find three new patrol cars with the new Fiddler's Creek logo are actively patrolling.

Resident Jeff Fritz felt that the vehicles are parked too far back at the Championship entrance to be seen. Mr. Jasiecki stated he will attend to the concern. He responded to comments about the logo being unreadable and unrecognizable and the suggestion to e-blast information prior to the changes.

90 > Several traffic violation notices and fines for speeding and parking were issued.

91 Mr. Parisi stated citizens filed a complaint with the County about whether The 92 Foundation has legal authority to issue fines and enforce the Covenants. Mr. Pires responded to 93 letters from the County Attorney and a County Commissioner; neither has responded to them.

Mr. Creamer asked for the criteria for issuing tickets. Mr. Slater asked for the criteria for electric bicycles on sidewalks. Mr. Parisi stated that warnings are issued for six miles over the speed limit. The State or County governs use of electric bicycles on sidewalks but he will discuss clarifying the policy, in writing, at The Foundation's next meeting.

123 > The meeting was held to address Section 29.

A PUD Amendment to add affordable apartments to the location of which a certain
 percentage will be available to essential workers was requested.

Mr. Slater reported that about 100 homeowners at the meeting opposed the plan and claimed it is supposed to be designated as preserve. He noted that the area was formerly farm land, not preserve. The PUD Amendment will identify it as residential, instead of recreational.

129
